

Reaching the financial finish line

What some American employees are doing to get there

What do employees define as achieving "financial wellness"?

Am I on track?

American employees generally fall within one of three "tracks" to financial wellness:

Winning requires five key factors

What are the "right-trackers" (55% of employed Americans) doing to achieve financial wellness?

The big picture

Financial wellness is about a lot more than just finance. Right-trackers prove that achieving financial health requires a mix of financial education, healthy living and a positive mindset.
